World Championships

World Championships is June 23rd-25th! This year is a very exciting year for Mentor ATA. All of the instructors are either competing, testing or both. We have some students who qualified for top ten competition for their chance to win world champion! Mr. Ratay is competing in the new integrated martial arts competition, Mr Milhoan is testing for 4th degree black belt, and Mr. Gehring and Mr. V are both being inducted as Master Instructors. We have many students who are going to attend, but if you can't make it the ATA has set up a special PPV of the opening ceremonies which will be available at www.ataondemand.com.
